Work Experience

Sunrise Ministries/Sunrise Books

VP of Creative Development
Dallas, GA. 2015 - Present
Sunrise Ministries is a Non-Profit organization that helps those in need. Sunrise Books was created & founded to financially support our ministry. Together with my business partner and BOD's our ministry is making a difference through biblical books, creative artwork, sharing resources, making connections, and coming together for the importance of our world through local missions.

Pink Skirt Productions

Artist, Owner
Dallas, GA. 2005 - Present
Responsible for all aspects of running a design studio... I help clients analyze their present and future design needs, create and abide by budgets & schedules, art direction of all projects, design and produce layouts, hire and coordinate with outside contractors, follow up with personalized services to aid in possible recommendations for future needs.

Crews

Contract Stylist
Atlanta, GA. 9/2004 to 2006
Working behind-the-scene to create a scene. Always on the run, finding things, fitting things, placing things, returning. Doing everything that is necessary to get your fashion, wardrobe, tabletop, room setting & art direction assignments above the rest.

NIOXIN® Research Laboratories

Senior Graphic Designer
Lithia Springs, GA. 11/1999 to 5/2004
Responsible for all visual needs of NIOXIN®, an international hair care company. Designed all trade and consumer collateral materials, education materials and magazine ads, responsible for concept and execution of new packaging, art directed photo shoots of products and models as well as working with charities such as March of Dimes, Cap-Cure, Locks of Love, Y-me Foundation & BehindTheChair.com.

Sperry & Associates

Graphic Designer
Raleigh, NC 7/1998 to 9/1999
Supported advertising agency team with the design and production of magazine and newspaper advertisements for our automobile and real estate clients. Other various jobs included; trademark design, creating promotional and specialty items also illustrating recreational, residential area maps. Managed project schedules and worked directly with clients and vendors/ printers.
